### 📄 PROFILE

Experienced Professional with over 5 years in the banking industry, known for consistently delivering exceptional service, resolving complex issues, and enhancing customer satisfaction. I've recently expanded my skills as a web developer intern at <https://tryspacely.com/about>, and I'm eager to explore opportunities in a dynamic financial institution that values adaptability and innovation. My career goal is to leverage my diverse skills to contribute to your organization, whether in customer service or tech roles, depending on your needs. I am adaptable, growth-focused, and dedicated to making a positive impact on your institution.

### 👛 PROFESSIONAL EXPERIENCE

#### <https://tryspacely.com>

frontendIntern

04/2023 – present | Nigeria

building components and and front-end logic at this startup while learning some valuable skills from other top developers in the team

#### **Zenith Bank Plc**

Cash Officer(Team Lead)

02/2022 – 05/2022 | lagos, Nigeria

- Supervision of operational activities in C & T unit, ensuring transactions run smoothly, and overriding of transaction within my limit.
- Ensuring frequent call-over of previous day's transactions by the unit members and this is subject to frequent reviews by me in order to ensure adequacy of transactions posted and avoid mistakes that could cause the bank loss.
- Daily balancing of vault figures in order to ensure physical figures tally with what is on the system.
- Supervision of ATMs under my care and ensuring that they are adequately loaded with cash in order to serve Zenith customers as well as other banks' customers.
- Good interpersonal relationship with colleagues, customers and other banks' cash officers. I ensure cash swap to other banks and this has contributed to the growth of the branch's profit from about 9% to about 13%.
- I ensure controls put in place are strictly adhered to. For instance, Dual Control, Cash limit for tellers and head teller, vault limit and so on.
- Weekly report to my supervisors that encompasses all activities in my unit

#### **Zenith Bank Plc**

Cash & Teller(Operations)

11/2016 – 01/2022

- Processing of FIRS VAT/WHT and LIRS (PAYE, etc) transactions and rendering relevant advice as regard these to customers in relation to the bank's policies.
- advising customers on the bank's E-channel products as well as opening accounts with the bank, and how they can safeguard their accounts from fraudsters.
- Excellent Customer Service Delivery
